of charge for MEL members and held for up to 2 weeks so you can view them at your convenience. A prepaid self-addressed envelope is included to return the DVD.

MSI LIVE

MSI LIVE features real-time, instructor-led in-person, and virtual classes. Experienced instructors provide an interactive experience for the attendee on a broad spectrum of safety and risk control topics. Most MSI LIVE offerings have been awarded continuing education credits for municipal designations and certifications. The MSI LIVE catalog provides a description of the course, the intended audience, and available credits.

The MSI LIVE Schedule is available for registration. Please register early, under-attended classes will be canceled.

To maintain the integrity of the MSI classes and our ability to offer CEUs, we must abide by the rules of the State agency that issued the designation. Chief among those rules is the attendee of the class must attend the whole session. Attendees who enter the class more than 5 minutes late or leave early will not be awarded CEUs for the class or receive a certificate of completion.

For virtual classes, the MSI utilizes the Zoom platform to track the time each attendee logs in and logs out. Also, we can track participation, to demonstrate to the State agency the student also participated in polls, quizzes, and question & answer activities during the class. The MSI maintains these records to document our compliance with the State agency.

If you need assistance using the MSI Learning Management System, please call the MSI Helpdesk at 866-661-5120.

NOTE: We need to keep our list of MSI Training Administrators up-to-date. If there are any changes or deletions, or you need to appoint a new Training Administrator, please advise Andrea Felip at afelip@jamontgomery.com.
