NEW JERSEY CYBER RISK MANAGEMENT FUND

9 Campus Drive – Suite 216 Parsippany, NJ 07054 Tel 201.881.7632

Date: Friday, August 25, 2023

To: Board of Fund Commissioners Professional Municipal Management Joint Insurance Fund

From: Chairman Thomas Merchel

Membership Request: The New Jersey Counties Excess Liability JIF is requesting membership in the NJ Cyber JIF. The options for coverage will be researched by the fund professionals and discussed with the Risk Control Committee.

Cyber Risk Control Services: The Board adopted the Risk Control Committee's recommendation to award Competitive Contract RFP #23-01 Training/Phishing and RFP #23-02 for External Scanning to D2 Cybersecurity. Work to begin implementation will begin immediately. The Committee will continue to discuss how JIFs with current cyber service(s) contracted will be managed and possible options for reimbursement.

Cybersecurity Loss Control Program: Underwriting Manager proposed adding an additional lower level of compliance to the 2023 Cyber Check list in an effort to make deductible relief accessible to more members and provide more time for members to put cyber security controls in place. Fund professionals will work with the Risk Control Committee to fine tune the program. The current 'grandfathered' deductible levels will carry over to July 1, 2024.

Risk Management Plan Amendment: Payment Authority: The Board passed a motion to amend the Risk Management Plan to establish a Claims Review Committee to enable the fund to respond in a timely manner to certain types of cyber claims. Claims requiring immediate response can be approved, with the condition that the excess carrier has confirmed coverage and reimbursement to the JIF.

NJ Cyber Website: The Board passed a motion to approve monies to Princeton Strategic Communications Group to implement a 'members only' log in to the Fund website, thereby preventing anyone acting with malicious intent from accessing information concerning our cyber controls.

Technology Stack Questionnaire: The Underwriting Manager has received a report from Chertoff Group on the results of the technology stack survey. This information will be digested and shared with members.

Next Meeting: The next Fund meeting is scheduled for Thursday, September 21, 2023 at 2:00 PM.to be held as a video / audio Zoom conference call.

<u>MSI NOW</u> provides on-demand streaming videos and online classes that can be viewed 24/7 by our members. Topics pertain to many aspects of safety, risk control, employment practices, and supervision, and most can be viewed in under 20 minutes.

MSI LIVE

<u>MSI LIVE</u> features real-time, instructor-led in-person, and virtual classes. Experienced instructors provide an interactive experience for the attendees on a broad spectrum of safety and risk control topics. Most MSI LIVE offerings have been awarded continuing education credits for municipal designations and certifications. The MSI LIVE catalog provides a description of the course, the intended audience, and available credits.

The <u>MSI_LIVE Schedule</u> is available for registration. Please register early, under-attended classes will be canceled.

To maintain the integrity of the MSI classes and our ability to offer CEUs, we must abide by the rules of the State agency that issued the designation. Chief among those rules is that the class attendee must attend the whole session. Attendees who enter the class more than 5 minutes late or leave early will not be awarded CEUs for the class or receive a certificate of completion.

For virtual classes, the MSI utilizes the Zoom platform to track the time each attendee logs in and logs out. Also, we can track participation to demonstrate to the State agency the student also participated in polls, quizzes, and question & answer activities during the class. The MSI maintains these records to document our compliance with the State agency.

If you need assistance using the MSI Learning Management System, please call the MSI Helpdesk at 866-661-5120.

NOTE: We need to keep our list of MSI Training Administrators up-to-date. If there are any changes or deletions, or you need to appoint a new Training Administrator, please advise Andrea Felip at <u>afelip@jamontgomery.com</u>.

APPROVAL OF MINUTES: June 27, 2023 - Open Minutes

MOTION TO APPROVE OPEN MINUTES OF JUNE 27, 2023:

Moved:Commissioner CorralesSecond:Commissioner DansonVote:Unanimous

CORRESPONDENCE: NONE.

EXECUTIVE DIRECTOR:

Professional Services Agreements: The Fund's professional service agreements are up for renewal in 2024. All firms have submitted proposals and proper forms to enable re-appointments at our January re-organization meeting. The Fund Office will prepare a response list for Fund Commissioners with the various firm's fee request for consideration.

Cyber Security Status Report: The 2023 2nd quarter campaign has concluded; the next report will reflect the progress of 3rd quarter results. That report will be sent out under separate cover prior to our next meeting. Executive Director said the report was sent out but nothing has changed so an updated version will be distributed in Executive Session in September.

NJ Cyber JIF: The NJ Cyber JIF met on June 22, 2023 via Zoom, Chairman Merchel's report appears on **Page 4**. The next meeting of the Fund is on August 3rd. Chairman Merchel reported the majority of the PMM JIF members responded to the technology stack survey questionnaire and it will be helpful to the Cyber JIF. Executive Director said the next Cyber JIF meeting will be held on August 3, 2023.

2022/2023 Employment Practices Liability (EPL) Program: Every two years the MEL reviews applicable laws and regulations to update the Model Personnel Manual, Model Employee Handbook and Model Volunteer Handbook. Information was issued in May announcing that the updated documents can be found on the MEL's webpage https://njmel.org/insurance/public-officials/risk-management-program/

Executive Director encouraged members to update their Personnel Manual and Handbooks and to complete the necessary training. The deadline to complete all of the items and return the checklist is November 1, 2023.

In addition, members are asked to complete training geared towards Managers & Supervisors, Non-Supervisory Employees and Police Command Staff training.

- 1. Attached on page 5 you will find a flyer on the **Manager & Supervisors Training** which will be available as "instructor-led webinars" accessible through the Mel Safety Institute (MSI Live).
- 2. Also attached on Page 6 is the flyer on the training course for "**non-supervisory employees**". This training is on-line and is also available through the Mel Safety Institute (MSI Now)
- 3. J.A. Montgomery's Law Enforcement Unit will be scheduling the **Police Command Staff** "in person instructor-led classes" throughout the state. A session is scheduled at the Collingswood Community Center on September 28th.

Banking Best Practices: Considering the increase in "social engineering and cyber related claims" in the handling of monies, we enclosed on **page 7** a white paper distributed by Perma's Chief Accounting Officer on Banking Best Practices that we are suggesting JIF Treasurers to adhere too. This was distributed to all Treasurers

last week. Chairman Merchel said members should continue to monitor your practices because the wrongdoers are getting better at doing their job. Moorestown is toward a sandboxing process where they have a dedicated computer that will only be used for banking and financial transactions. Chairman Merchel also like the suggestion to remove permissions on international wires.

2023 Coverage Documents: The Fund office has uploaded all of the coverage documents to Origami and they are available to members. If any members need assistance accessing any documents, please reach out to the Fund Office.

2024 Renewal: Members and Risk Managers will receive an Origami email with a link to renewal worksheets - to begin the 2024 underwriting renewal on or about July 25th with an August 31st completion date. We will issue an email with those additional directions once the underwriting system link is sent.

2024 Membership Renewals – Willingboro is scheduled to renew its membership as of January 1, 2024. Membership documents will be mailed to the Township early next month.

2022 Audit Filing: PERMA filed the 2022 Year End Audit, Certification of the Audit adopted by the Executive Committee, Actuarial Valuation and Actuarial Certification with the Departments of Insurance and Community Affairs. In addition, the Synopsis of Audit was published in the Fund's official newspapers.

August Meeting Cancellation - The JIF has historically cancelled the August Fund meeting; if the Commissioners wish to follow past procedure, a motion to cancel the meeting would be in order. The Commissioners did pass Resolution 23-2 in February that authorizes fund professionals to continue services and process payments for the months that the Fund does not meet.

Retrospective Premium - Executive Director discussed the retrospective premium and distributed a report to members. This report will be generated again after the actuary provides their second quarter report. As the next year rolls into the RCF that is when any additional premium will be due. Executive Director noted the reserves can change over time. Once calculations are completed letters will be sent to members that can expect a retrospective premium on their next assessment billing.

Due Diligence Reports: Monthly reports submitted to Fund Commissioners including Monthly Lost Time Accident Frequency, Quarterly Fast-Track Financial report, Claim Activity Report, Interest Rate Summary Comparison, Monthly Loss Ratio by fund year and line of coverage and the Monthly and Annual Regulatory Checklist. Executive Director reported June Loss Ratio report shows the PMM JIF at 16.42% and the Actuary targeted us at 17.39% and this time last year we were at 24%, Claims Activity Report showed 4 more open claims than the prior month, Loss Time Accident Frequency was distributed showing 1.38 and no Loss Time Accidents for the month. Executive Director reported that the MEL EPL checklist is expecting to post the revised list in September as the two-year cycle is completed.

Executive Director's Report Made Part of Minutes.

ATTORNEY: Attorney Kearns reported the courts have been relatively quiet because of summertime and judges being on vacation and facing is a shortage of judges. The only cases going to trial are criminal cases. Burlington

County has done fairly well but the shortage is becoming very severe because the Governor and Senate cannot agree on nominees for new judges.
