Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the Professional Municipal Management Joint Insurance Fund (the "Fund") as of and for the years ended December 31, 2024 and 2023, and the related notes to the financial statements, which collectively comprise the Fund's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the Fund as of December 31, 2024 and 2023, and the respective changes in financial position and cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and audit requirements as prescribed by the Department of Banking and Insurance and the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements (Cont'd)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and other required supplementary information listed in the table of contents be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

Required Supplementary Information (Cont'd)

We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

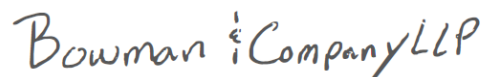

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Fund's basic financial statements. The accompanying supplementary schedules as listed in the table of contents are not a required part of the basic financial statements and are presented for purposes of additional analysis. The accompanying supplementary schedules listed in the table of contents are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 24, 2025, on our consideration of the Fund's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Fund's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Fund's internal control over financial reporting and compliance.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE
AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

INDEPENDENT AUDITOR'S REPORT

Board of Commissioners
Professional Municipal Management Joint Insurance Fund
9 Campus Drive, Suite 216
Parsippany, NJ 07054

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and audit requirements as prescribed by the Department of Banking and Insurance and the Division of Local Government Services, Department of Community Affairs, State of New Jersey, the financial statements of the Professional Municipal Management Joint Insurance Fund (the "Fund") as of and for the year ended December 31, 2024, and the related notes to the financial statements, which collectively comprise the Fund's basic financial statements, and have issued our report thereon dated June 24, 2025.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Fund's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, we do not express an opinion on the effectiveness of the Fund's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

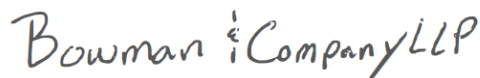

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Fund's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and audit requirements as prescribed by the Department of Banking and Insurance and the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* and audit requirements as prescribed by the Department of Banking and Insurance and the Division of Local Government Services, Department of Community Affairs, State of New Jersey in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

PROFESSIONAL MUNICIPAL MANAGEMENT JOINT INSURANCE FUND

Management's Discussion and Analysis - Unaudited

This section of the annual financial report of the Professional Municipal Management Joint Insurance Fund (the "Fund") presents a discussion and analysis of the financial performance of the Fund for the years ended December 31, 2024, 2023, and 2022. Please read it in conjunction with the basic financial statements that follow this section.

Overview of Basic Financial Statements

The Fund's basic financial statements are prepared on the basis of accounting principles generally accepted in the United States of America for governmental entities and insurance enterprises where applicable. The primary purpose of the Fund is to provide property and casualty insurance coverage for municipalities that are members of the Fund. The Fund maintains separate enterprise funds by incurred years and line of coverage. The basic financial statements are presented on an accrual basis of accounting. The three basic financial statements presented are as follows:

Comparative Statements of Net Position – These statements present information reflecting the Fund's assets, liabilities and reserves and net position. Net position represents the amount of total assets less total liabilities and reserves.

Comparative Statements of Revenues, Expenses, and Changes in Net Position – These statements reflect the Fund's operating revenues and expenses, as well as non-operating items during the reporting period. The change in net position for an enterprise fund is similar to net profit or loss for any other insurance company.

Comparative Statements of Cash Flows – The comparative statements of cash flows is presented on the direct method of reporting, which reflects cash flows from operating, investing activities, and capital financing activities. Cash collections and payments are reflected in this statement to arrive at the net increase or decrease in cash for the year.

Financial Highlights

The following tables summarize the Net Position and results of operations for the Fund as of and for the years ended December 31, 2024, 2023, and 2022.

Statements of Net Position Summary				2024 to 2023 Change

Change In Net Positon	\$ 309,584	\$ 614,002	\$ (952,980)	\$ (304,418)	-49.6%

Financial Highlights Continued

The Fund's total assets increased by 8.7%. "Investment in Joint Ventures" represents its share of surplus retained in the Municipal Excess Liability Joint Insurance Fund, the Municipal Excess Liability Residual Claims Fund, the Environmental Joint Insurance Fund, and the New Jersey Cyber Risk Management Fund. The Fund's total liabilities and reserves increased by 11.1%.

Assessments and other income increased by 11.1%, reflecting an increase in Regular Contributions. The Fund recognized Operating Income of \$86,362 representing a decrease of \$421,363 from 2023. The change was primarily due to a 25.4% increase in the provision for claims and claims adjustment expenses. In 2024, total operating expenses included the Residual Claims Fund Supplemental Assessment in the amount of \$74.343 for prior fund years, which represents an additional supplementary assessment so that the Residual Claims Fund's statutory surplus for all fund years combined is no less than 12.5 percent of unpaid claims including IBNR.

Investment income increased by 7.1% due to the increase in short term interest rates as dictated by the Federal Reserve Board, Joint Insurance Funds investing in the MEL Joint Cash Management Investments (JCMI) experienced an increase in realized and unrealized gains.

For 2024, the Fund paid a dividend to its members of \$87,746 representing a pass through of E-JIF dividends of \$64,746 and \$23,000 of members' closed year surplus used to pay the 2011 fund year supplemental contributions.

The Fund's combined net position for all years increased by \$309,584, or 6.5%.

Economic Conditions

The future financial position of the Fund will be impacted by medical costs trends that impact upon workers' compensation costs. The State has increased the weekly workers compensation benefits to make New Jersey have the highest premium rates in the Country. Compounding this problem was the Department of Labor decision to change the rule that most non-medical cost on some workers permanently disabled on the job, which was covered by the pension system; workers compensation is now the primary payer.

Recent Legislation requires judges to presume that cancer is job related for firefighters and an amendment in the sexual molestation statute of limitations will increase total liability costs.

Property premiums are increasing at double digit rates because of the higher frequency of natural disasters worldwide. Property insurance premiums are also increasing because of higher property values caused by supply chain issues and labor shortages.

The Fund continues to attempt to offset these trends by reducing accident frequency and severity, and by streamlining claims processing and management. The Fund intends to continue to manage its assets in such a way that it maintains liquidity and safety, while increasing earnings when the opportunities arise.

Contacting the Fund's Management

This financial report is designed to provide the Professional Municipal Management Joint Insurance Fund members and the Department of Banking and Insurance of the State of New Jersey with a general overview of the Fund's finances and to demonstrate the Fund's accountability for the public funds it receives. If you have any questions about this report or need additional financial information, contact the Executive Director of the Professional Municipal Management Joint Insurance Fund office located at 9 Campus Drive, Suite 216, Parsippany, New Jersey 07054 or by phone at (201) 881-7632.

PROFESSIONAL MUNICIPAL MANAGEMENT JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 1: ORGANIZATION AND DESCRIPTION OF THE FUND

On April 1, 1987, the Professional Municipal Management Joint Insurance Fund (the "Fund") was formed in accordance with P.L. 1983, C.372, entitled "An Act Concerning Joint Insurance Funds for Local Units of Government", and supplementing Chapter 10 of Title 40A and N.J.S. 11:15-3 of the New Jersey Statutes. The Fund is operated in accordance with regulations of the Department of Banking and Insurance and the Division of Local Government Services, Department of Community Affairs, State of New Jersey for the purpose of securing significant savings in insurance cost as well as providing stability in coverage.

During 2024, members of the Fund included Evesham Township, Evesham Fire District, Maple Shade Township, Willingboro Township and Moorestown Township.

The Board of Commissioners of the Fund may approve subsequent membership by a two-thirds vote or may terminate any member by a majority vote, after proper notice has been given. New memberships are effective upon approval by the Commissioners of Banking and Insurance and Department of Community Affairs. Early terminations require prior approval by the Commissioner of Banking and Insurance. The members of the Fund must also be members of the Municipal Excess Liability Joint Insurance Fund ("MEL").

All members' contributions to the Fund, including a reserve for contingencies, are based on actuarial assumptions determined by the Fund's actuary. The Commissioner of Banking and Insurance may order additional assessments to supplement the Fund's claim, loss retention or administrative accounts to assure the payment of the Fund's obligations.

The Fund offers the following coverages to its members:

- Workers' compensation and employers' liability.
- Liability other than motor vehicles.
- Property damage other than motor vehicles.
- Motor vehicles liability and damage.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of the more significant policies followed by the Fund in the preparation of the accompanying financial statements:

Component Unit

In evaluating how to define the Fund for financial reporting purposes, management has considered all potential component units. The decision to include any potential component units in the financial reporting entity was made by applying the criteria set forth in the Governmental Accounting Standards Board ("GASB") Statements No. 14, *The Financial Reporting Entity*, as amended. Blended component units, although legally separate entities, are in-substance part of the primary entity's operations. Each discretely presented component unit would be or is reported in a separate column in the financial statements to emphasize that it is legally separate from the primary entity.

The basic, but not the only criterion for including a potential component unit within the reporting entity is the governing body's ability to exercise oversight responsibility. The most significant manifestation of this ability is financial interdependency. Other manifestations of the ability to exercise oversight responsibility include, but are not limited to, the selection of governing authority, the designation of management, the ability to significantly influence operations, and accountability for fiscal matters. A second criterion used in evaluating potential component units is the scope of public service. Application of this criterion involves considering whether the activity benefits the primary entity.

A third criterion used to evaluate potential component units for inclusion or exclusion from the reporting entity is the existence of special financing relationships, regardless of whether the primary entity is able to exercise oversight responsibilities. Finally, the nature and significance of a potential component unit to the primary entity could warrant its inclusion within the reporting entity.

PROFESSIONAL MUNICIPAL MANAGEMENT JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Component Unit (Cont'd)

Based upon the application of these criteria, the Fund has no component units and is not includable in any other reporting entity.

Basis of Presentation

The financial statements of the Fund have been prepared in accordance with accounting principles generally accepted in the United States of America applicable to enterprise funds of State and Local Governments on a going concern basis. The focus of enterprise funds is the measurement of economic resources, that is, the determination of operating income, changes in net position (or cost recovery), financial position and cash flows. The GASB is the accepted standard setting body for establishing governmental accounting and financial reporting principles.

Basis of Accounting

Basis of accounting determines when transactions are recorded in the financial records and reported on the financial statements. Enterprise funds are accounted for using the accrual basis of accounting.

Revenues - Exchange and Non-Exchange Transactions - Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value is recorded on the accrual basis when the exchange takes place. Member Assessments are recognized as revenue at the time of assessment.

Expenses - On the accrual basis of accounting, expenses are recognized at the time they are incurred.

Cash, Cash Equivalents, and Investments

Cash and cash equivalents include petty cash, change funds and cash in banks and all highly liquid investments with a maturity of three months or less at the time of purchase and are stated at cost plus accrued interest. Such is the definition of cash and cash equivalents used in the comparative statements of cash flows. U.S. treasury and agency obligations and certificates of deposit with maturities of one year or less when purchased are stated at cost. All other investments are stated at fair value.

New Jersey governmental units are required by N.J.S.A. 40A:5-14 to deposit public funds in a bank or trust company having its place of business in the State of New Jersey and organized under the laws of the United States or of the State of New Jersey or in the New Jersey Cash Management Fund. N.J.S.A. 40A:5-15.1 provides a list of investments, which may be purchased by New Jersey governmental units. These permissible investments generally include bonds or other obligations of the United States of America or obligations guaranteed by the United States of America, government money market mutual funds, any obligation that a federal agency or a federal instrumentality has issued in accordance with an act of Congress, bonds or other obligations of the local unit or bonds or other obligations of the Fund of which the local unit is a part or within which the Fund is located, bonds or other obligations approved by the Division of Local Government Services in the Department of Community Affairs for investment by local units, local government investment pools, deposits with the State of New Jersey Cash Management Fund, and agreements for the purchase of fully collateralized securities with certain provisions. In addition, other State statutes permit investments in obligations issued by local authorities and other state agencies.

N.J.S.A. 17:9-41 et seq. establishes the requirements for the security of deposits of governmental units. The statute requires that no governmental unit shall deposit public funds in a public depository unless such funds are secured in accordance with the Governmental Unit Deposit Protection Act ("GUDPA"), a multiple financial institutional collateral pool, which was enacted in 1970 to protect governmental units from a loss of funds on deposit with a failed banking institution in New Jersey. Public depositories include State or federally chartered banks, savings banks or associations located in or having a branch office in the State of New Jersey, the deposits of which are federally insured.

PROFESSIONAL MUNICIPAL MANAGEMENT JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Cash, Cash Equivalents, and Investments (Cont'd)

All public depositories must pledge collateral, having a market value at least equal to five percent of the average daily balance of collected public funds, to secure the deposits of governmental units. If a public depository fails, the collateral it has pledged, plus the collateral of all other public depositories, is available to pay the amount of their deposits to the governmental units.

Additionally, the Fund has adopted a cash management plan that requires it to deposit public funds in public depositories protected from loss under the provisions of the GUDPA. In lieu of designating a depository, the cash management plan may provide that the local unit make deposits with the State of New Jersey Cash Management Fund.

Investments

The Fund generally records investments at fair value and records the unrealized gains and losses as part of investment income. Fair value is the price that would be received to sell an investment in an orderly transaction between market participants at the measurement date.

Investment Income Allocation

Interest accruals, interest payments on cash instruments, net of investment management fees, and unrealized gains and losses on the fair value of investments are allocated every month based upon each line of coverage's share of opening cash and investment balances.

Annual Contributions

Annual contributions are based on loss estimates as determined by the Fund's actuary and are received in two installments. Total contributions are recognized as earned revenue evenly over the annual contract period or period of risk, if different. All past due contributions bear interest at the rate established annually by the Executive Committee.

Supplemental Contributions

The Executive Committee shall by majority vote levy upon the participating members additional assessments wherever needed or so ordered by the Commissioner of Banking and Insurance to supplement the Fund's claim, loss retention or administrative accounts, after consideration of anticipated investment income, to assure the payment of the Fund's obligations. Supplemental contributions to cover a deficit are recognized as revenue upon approval whether or not actually received.

Unpaid Claims Liabilities

The Fund establishes claims liabilities based on estimates of the ultimate cost of claims (including future claim adjustment expenses) that have been reported but not settled, and of claims that have been incurred but not reported. The length of time for which such costs must be estimated varies depending on the coverage involved. Because actual claims costs depend on such complex factors as inflation, changes in doctrines of legal liability, and damage awards, the process used in computing claims liabilities does not necessarily result in an exact amount, particularly for coverages such as general liability.

Claims liabilities are recomputed periodically using a variety of actuarial and statistical techniques to produce current estimates that reflect recent settlements, claim frequency and other economic and social factors. A provision for inflation in the calculation of estimated future claims costs is implicit in the calculation because reliance is placed both on actual historical data that reflect past inflation and on other factors that are considered to be appropriate modifiers of past experience. Adjustments to claims liabilities are reflected in reserves and cumulative expenses in the periods being reported upon.

PROFESSIONAL MUNICIPAL MANAGEMENT JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Unpaid Claims Liabilities (Cont'd)

- A. Reported Claims Case Reserves
Case reserves include estimated unpaid claims cost for both future payments of losses and related allocated claim adjustment expenses as reported by the service agent, Qual-Lynx, Inc.
- B. Claims Incurred But Not Reported ("IBNR") Reserve
In order to recognize claims incurred but not reported, a reserve is calculated by the Fund's actuary, The Actuarial Advantage, Inc.

Case and IBNR Reserves represent the estimated liability for the expected future development of claims already reported to the Fund plus claims incurred but not yet reported and unknown loss events that are expected to become claims. The liabilities for claims and related adjustment expenses are evaluated using Fund and industry data, case basis evaluations and other statistical analyses, and represent estimates of the ultimate net cost of all losses incurred through December 31, 2024. These liabilities are subject to variability between estimated ultimate losses determined as described and the actual experience as it emerges, including the impact of future changes in claim severity, frequency, and other factors.

Management believes that the liabilities for unpaid claims above are adequate. The estimates are reviewed periodically and as adjustments to these liabilities become necessary, such adjustments are reflected in cumulative operations.

Excess Coverage

Coverage in excess of the Fund's self-insured retention limits is provided through the Fund's membership in the Municipal Excess Liability Joint Insurance Fund as described in Note 7.

Fund Transfers

Inter-fund transfers are made upon the expressed approval of the Executive Committee, following prior written notification to the Commissioners of the Department of Banking and Insurance and the Department of Community Affairs.

Inter-year fund transfers require prior approval of the Department of Banking and Insurance and the Department of Community Affairs. The fund may seek approval from the Commissioners to make inter-year fund transfers at any time from a claims or loss retention trust account from any year, which has been completed for at least 12 months. The inter-year fund transfer may be in any amount subject to the limitation that, after the transfer, the remaining net current surplus must exceed thirty-five percent of unpaid claims for that year.

Claims must be undiscounted; the IBNR reserve must be certified by an actuary and the membership for each year involving inter-year fund transfers must be identical.

All fund transfers are recognized at the time actual transfers take place.

Subrogation

Subrogation and all other recoverable claim amounts, excluding excess insurance, are recognized upon receipt of cash only.

Return of Surplus/Dividends

Refunds (dividends) are recognized upon authorization of the Executive Committee. Any moneys for a Fund year in excess of the amount necessary to fund all obligations for that year as certified by the Fund's actuary may be declared to be refundable by the Fund no less than twenty-four months after the end of the year.

PROFESSIONAL MUNICIPAL MANAGEMENT JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Return of Surplus/Dividends (Cont'd)

The initial and any subsequent refund for any year from a Claim or Loss Retention Account is subject to the limitation that, after the refund, the remaining net current surplus must exceed thirty-five percent of unpaid claims for that year. In later years, the Fund can seek annual approval for payment of refunds from a Claim or Loss Retention Account remaining from any year, which has been completed for at least thirty-six months or longer and may include such refund payments with initial refund payments from the preceding year. A full and final refund is not allowed until all Case reserves and IBNR reserves are closed.

Administrative Expenses

Administrative expenses are comprised mainly of compensation for services rendered by servicing organizations and appointed officials pursuant to written fee guidelines submitted and approved by a majority of the Commissioners/Executive Committee. In instances where invoices have not been submitted for specific periods, the maximum allowable contract amount has been accrued.

Net Position

In accordance with the provisions of the GASB 34 "Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments", the Fund has classified its net position as unrestricted. This component of net position consists of net positions that do not meet the definition of "restricted" or "net investment in capital assets" and includes net position that may be allocated for specific purposes by the Board.

Income Taxes

The Fund is exempt from income taxes under Section 115 of the Internal Revenue Code.

Operating and Non-Operating Revenues and Expenses

Operating revenues include all revenues derived from member contributions. Non-operating revenues principally consist of interest income earned on various interest-bearing accounts and on investments in debt securities and positive changes in the Fund's investment in joint ventures.

Operating expenses include expenses associated with the Fund's operations, including claims expense, insurance, and administrative expenses. Non-operating expenses include negative changes in the Fund's investment in joint ventures.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

PROFESSIONAL MUNICIPAL MANAGEMENT JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 3: CASH AND CASH EQUIVALENTS

Custodial Credit Risk Related to Deposits

Custodial credit risk is the risk that, in the event of a bank failure, the Fund's deposits might not be recovered. Although the Fund does not have a formal policy regarding custodial credit risk, N.J.S.A. 17:9-41 et seq. requires that governmental units shall deposit public funds in public depositories protected from loss under the provisions of the GUDPA. Under the Act, the first \$250,000 of governmental deposits in each insured depository is protected by the Federal Deposit Insurance Corporation ("FDIC"). Public funds owned by the Fund in excess of FDIC insured amounts are protected by GUDPA. However, GUDPA does not protect intermingled trust funds such as salary withholdings or funds that may pass to the Fund relative to the happening of a future condition. If the Fund had any such funds, they would be shown as Uninsured and Uncollateralized.

Of the Fund's bank balance of \$2,980,000 as of December 31, 2024, \$250,000 was insured while \$2,730,000 was collateralized under GUDPA.

Of the Fund's bank balance of \$2,562,892 as of December 31, 2023, \$250,000 was insured while \$2,312,892 was collateralized under GUDPA.

Note 4: INVESTMENTS

Custodial Credit Risk

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the Fund will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. Investment securities are exposed to custodial credit risk if the securities are uninsured, are not registered in the name of the Fund, and are held by either the counterparty or the counterparty's trust department or agent but not in the Fund's name. All of the Fund's investments in the Joint Cash Management and Investment Program of \$4,811,973 and \$4,649,081 as of December 31, 2024 and 2023, respectively, were held by either the counterparty or counterparty's trust department or agent, but not in the Fund's name.

Interest Rate Risk

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Fund does not have a formal policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk

Credit risk is the risk that an issuer or counterparty to an investment will not fulfill its obligations. N.J.S.A. 40A:5-15.1 limits the investments that the Fund may purchase such as Treasury securities in order to limit the exposure of governmental units to credit risk. The Fund has no investment policy that would further limit its investment choices.

Concentration of Credit Risk

The Fund does not place a limit on the amount that may be invested in any one issuer. All of the Fund's investments are in debt obligations and joint investment pools.

PROFESSIONAL MUNICIPAL MANAGEMENT JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 4: INVESTMENTS (CONT'D)

Joint Cash Management and Investment Program

During the year, the Fund participated in the Joint Cash Management and Investment Program (the "JCMI"). The JCMI was formulated under P.L. 2018 Chapter 40 of the New Jersey Statutes, which allowed Joint Insurance Funds to pool their funds and broaden the investments that they are permitted to use. The JCMI is designed to insure the quality of investments in order to minimize risk to the JCMI's participants. The program is administered by the Municipal Excess Liability Joint Insurance Fund (the "MEL").

Fair Value Measurements of Investments

As of December 31, 2024 and 2023, the Fund had the following investments and maturities:

<u>Investment</u>	<u>Interest Rate</u>	<u>Maturities</u>	<u>Credit Rating</u>	<u>Fair Value Hierarchy Level*</u>	<u>Market Value</u>	
					<u>2024</u>	<u>2023</u>
JOINT CASH MANAGEMENT INVESTMENT PROGRAM	N/A	N/A	AAA	Level 2	<u>\$ 4,811,973</u>	<u>\$ 4,649,081</u>

* The Fund categorizes its fair value disclosures within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset.

Level 1 inputs are quoted (unadjusted) prices in active markets for identical assets that the government can access at the measurement date. Observable markets include exchange markets, dealer markets, brokered markets and principal-to-principal markets.

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly. These inputs are derived from or corroborated by observable market data through correlation.

Level 3 inputs are unobservable inputs for the asset; they should be used only when the relevant Level 1 and Level 2 inputs are unavailable.

Investment Income

The following schedule summarizes the net investment income for the years ended December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Investment Income	\$ 307,998	\$ 214,786
Less: Investment Expenses	<u>6,766</u>	<u>6,570</u>
Net Investment Earnings	301,232	208,216
Other Adjustments:		
Realized Gain (Loss)	126	(44,140)
Unrealized Income	<u>55,664</u>	<u>169,288</u>
Total Investment Income	<u>\$ 357,022</u>	<u>\$ 333,364</u>

PROFESSIONAL MUNICIPAL MANAGEMENT JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 5: CHANGES IN UNPAID CLAIMS LIABILITIES

As discussed in Note 2, the Fund establishes a liability for both reported and unreported insured events, which includes estimates of future payments of losses and related allocated claim adjustment expenses.

The following represents changes in those aggregate undiscounted reported and unreported liabilities for the Fund during December 31, 2024 and 2023 for all open Fund years net of excess insurance recoveries:

	<u>2024</u>	<u>2023</u>
Total unpaid claim and claim adjustment expenses all Fund years - Beginning	\$ 3,480,888	\$ 3,528,507
Incurred claims and claims adjustment expenses:		
Provision for insured events of current fund year	2,111,913	2,076,825
Changes in provision for insured events of prior fund years	<u>(64,563)</u>	<u>(444,414)</u>
Total incurred claims and claims adjustment expenses all fund years	<u>2,047,350</u>	<u>1,632,411</u>
Payments (Net of Recoveries):		
Claims and claim adjustments expenses:		
Attributable to insured events of current fund year	391,555	594,248
Attributable to insured events of prior fund years	<u>948,704</u>	<u>1,085,782</u>
Total Payments all Fund years	<u>1,340,259</u>	<u>1,680,030</u>
Total unpaid claim and claim adjustment expenses all Fund years - Ending	<u>\$ 4,187,979</u>	<u>\$ 3,480,888</u>
Analysis Of Balance:		
Due to Residual Claims Fund	\$ 518,094	\$ 331,130
Net Reserves	<u>3,669,885</u>	<u>3,149,758</u>
	<u>\$ 4,187,979</u>	<u>\$ 3,480,888</u>

Note 6: RETROSPECTIVE PREMIUM RECEIVABLE

As permitted by the Fund's By-Laws and Budget policy the Retrospective Assessments can be calculated and assessed based upon actuarial calculations, if projected claim losses exceed the amounts upon which annual assessments were based. This final calculation will take place after the fund year is closed out to the Municipal Excess Liability Residual Claims Fund. If a member owes the fund an additional premium under this endorsement, the amount will be payable 12 months after billing takes place.

The recording of the Retrospective Premium is based on actuarial projections, which are consistent with the yearly budget process, which is also based on loss fund projections. As claims develop, the Fund records increases and decreases in Case Reserves and IBNR's.

As of December 31, 2024, the estimated Retrospective Premium Receivable was allocated as follows:

			<u>Fund Year</u>				
<u>Member</u>	<u>Total</u>	<u>2017</u>	<u>2018</u>	<u>2019</u>	<u>2020</u>	<u>2021</u>	<u>2022</u>
Evesham	\$ 335,333	\$ -	\$ -	\$ 194,980	\$ -	\$ -	\$ 140,353
Maple Shade	178,837	34,495	-	57,806	-	49,503	37,033
Willingboro	452,583	-	182,439	87,561	182,583	-	-
	<u>\$ 966,753</u>	<u>\$ 34,495</u>	<u>\$ 182,439</u>	<u>\$ 340,347</u>	<u>\$ 182,583</u>	<u>\$ 49,503</u>	<u>\$ 177,386</u>

PROFESSIONAL MUNICIPAL MANAGEMENT JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 6: RETROSPECTIVE PREMIUM RECEIVABLE (CONT'D)

As of December 31, 2023, the estimated Retrospective Premium Receivable was allocated as follows:

<u>Member</u>	<u>Total</u>	<u>Fund Year</u>					
		<u>2017</u>	<u>2018</u>	<u>2019</u>	<u>2020</u>	<u>2021</u>	<u>2022</u>
Evesham	\$ 194,980	\$ -	\$ -	\$ 194,980	\$ -	\$ -	\$ -
Maple Shade	219,980	69,441	-	57,806	-	49,503	43,230
Willingboro	543,802	-	273,658	87,561	182,583	-	-
	<u>\$ 958,762</u>	<u>\$ 69,441</u>	<u>\$ 273,658</u>	<u>\$ 340,347</u>	<u>\$ 182,583</u>	<u>\$ 49,503</u>	<u>\$ 43,230</u>

Note 7: MEMBERSHIP IN JOINT INSURANCE FUNDS

Municipal Excess Liability Residual Claims Fund

The Fund is currently a member of the Municipal Excess Liability Residual Claims Fund (the "Residual Fund"). The Residual Fund is a risk-sharing public entity risk pool that is a self-administered group of joint insurance funds established for the purpose of assuming and discharging the liabilities associated with loss reserves of participating members. The transfer of loss reserves to the Residual Fund results in the closing of fund years and the unencumbering of the net position related to the closed fund years. Each member appoints an official to represent their respective joint insurance fund for the purpose of creating a governing body from which officers for the Residual Fund are elected.

As a member of the Residual Fund, the Fund could be subject to supplemental assessments in the event of deficiencies. If the assets of the Residual Fund were to be exhausted, members would become jointly and severally liable for the Residual Fund's liabilities.

The Residual Fund can declare and distribute dividends to members upon approval of the State of New Jersey Department of Banking and Insurance. These distributions are divided among the members in the same ratio as their individual assessment relates to the total assessment of the membership for that fund year. In accordance Statement No. 10 of the Government Accounting Standards Board, these distributions are used to reduce the amount recorded for the Fund's membership assessment in the year in which the distribution was declared.

Municipal Excess Liability Joint Insurance Fund

The Fund is currently a member of the Municipal Excess Liability Joint Insurance Fund (the "MEL"). The MEL is a risk-sharing public entity risk pool that is a self-administered group of joint insurance funds established for the purpose of providing excess insurance coverage to participating members. Each member appoints an official to represent their respective joint insurance fund for the purpose of creating a governing body from which officers for the MEL are elected.

As a member of the MEL, the Fund could be subject to supplemental assessments in the event of deficiencies. If the assets of the MEL were to be exhausted, members would become jointly and severally liable for the MEL's liabilities.

The MEL can declare and distribute dividends to members upon approval of the State of New Jersey Department of Banking and Insurance. These distributions are divided among the members in the same ratio as their individual assessment relates to the total assessment of the membership for that fund year.

New Jersey Municipal Environmental Risk Management Fund

The Fund is currently a member of the New Jersey Municipal Environmental Risk Management Fund (the "Environmental Fund"). The Environmental Fund provides its members with various environmental related coverage.

PROFESSIONAL MUNICIPAL MANAGEMENT JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 7: MEMBERSHIP IN JOINT INSURANCE FUNDS (CONT'D)

New Jersey Municipal Environmental Risk Management Fund (Cont'd)

The Environmental Fund is a risk-sharing public entity risk pool that is both an insured and self-administered group of joint insurance funds established for the purpose of providing low-cost insurance coverage for their respective members in order to keep local property taxes at a minimum. Each member appoints an official to represent their respective entity for the purpose of creating a governing body from which officers for the Environmental Fund are elected.

As a member of the Environmental Fund, the Fund could be subject to supplemental assessments in the event of deficiencies. If the assets of the Environmental Fund were to be exhausted, members would become responsible for their respective shares of the Environmental Fund's liabilities.

The Environmental Fund can declare and distribute dividends to members upon approval of the State of New Jersey Department of Banking and Insurance. These distributions are divided among the members in the same ratio as their individual assessment related to the total assessment of the membership body.

New Jersey Cyber Risk Management Fund

Effective January 1, 2023, the Fund became a member of the New Jersey Cyber Risk Management Fund (the Cyber Fund"). The Cyber Fund is a risk-sharing public entity risk pool that is a self-administered group of joint insurance funds established for the purpose of providing cyber insurance coverage to participating members. Each member appoints an official to represent their respective joint insurance fund for the purpose of creating a governing body from which officers for the Cyber Fund are elected.

As a member of the Cyber Fund, the Fund could be subject to supplemental assessments in the event of deficiencies. If the assets of the Cyber Fund were to be exhausted, members would become jointly and severally liable for the Cyber Fund's liabilities.

The Cyber Fund can declare and distribute dividends to members upon approval of the State of New Jersey Department of Banking and Insurance. These distributions are divided among the members in the same ratio as their individual assessment relates to the total assessment of the membership for that fund year.

Equity Interest

As of December 31, 2024 and 2023, the Fund's share of net position in the Residual Fund, the MEL, the Environmental Fund, and the Cyber Fund is as follows:

	<u>2024</u>	<u>2023</u>
Residual Fund	\$ 45,977	\$ 47,406
MEL	543,495	615,929
Environmental Fund	454,938	445,202
Cyber Fund	34,468	16,395
	<u>\$ 1,078,878</u>	<u>\$ 1,124,932</u>

PROFESSIONAL MUNICIPAL MANAGEMENT JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 8: RELATED PARTY TRANSACTIONS

As disclosed in Note 7, the Fund is a member of the Municipal Excess Liability Residual Claims Fund (the "Residual Fund"), Municipal Excess Liability Joint Insurance Fund (the "MEL"), New Jersey Municipal Environmental Risk Management Fund (the "Environmental Fund"), and the New Jersey Cyber Risk Management Fund (the "Cyber Fund") and has an ownership interest in those funds.

Municipal Excess Liability Joint Insurance Fund

Excess insurance premiums paid to the MEL for the years ended December 31, 2024 and 2023 were \$1,674,350 and \$1,333,326 respectively. As disclosed in Note 4, the Fund participated in the Joint Cash Management and Investment Program during December 31, 2024 and 2023. As disclosed in Note 11, the Fund potentially owes the MEL for prior additional assessments transferred to the aggregate loss fund contingency account for the retrospective program during December 31, 2024 and 2023. As disclosed in Note 12, the Fund was also assessed supplemental assessments during December 31, 2024 and 2023.

New Jersey Municipal Environmental Risk Management Fund

Excess insurance premiums paid to the Environmental Fund were \$113,958 and \$113,391 for the years ended December 31, 2024 and 2023, respectively.

Municipal Excess Liability Residual Claims Fund

During December 31, 2024 and 2023, the Fund was assessed \$518,094 and \$331,130, respectively, for the transfer of fund year 2020 and 2019 liabilities to the Residual Fund. As disclosed in Note 12, the Fund was also assessed supplemental assessments during December 31, 2024 and 2023.

New Jersey Cyber Risk Management Fund

Excess insurance premiums paid to the Cyber Fund were \$65,166 and \$53,892 for the year ended December 31, 2024 and 2023, respectively.

Note 9: RETURN OF SURPLUS

During 2024, the Executive Committee approved a dividend distribution in the amount of \$87,746, a pass through of E-JIF dividends of \$64,746, and \$23,000 of members' closed year surplus used to pay the 2011 fund year supplemental contributions as disclosed in note 10.

During 2023, the Executive Committee approved a dividend distribution in the amount of \$209,951, representing \$100,000 paid from closed years, a pass through of E-JIF dividends of \$86,951, and \$23,000 of members' closed year surplus used to pay the 2011 fund year supplemental contributions as disclosed in note 10.

Note 10: SUPPLEMENTAL CONTRIBUTION

On June 22, 2015, the Executive Committee approved a supplemental contribution of \$230,000 for the 2011 fund year. The supplemental contribution is payable to the Fund by the membership in equal installments along with regular contributions for the next ten (10) years starting in 2016 through and including 2025. If a member leaves the Fund during this period, the supplemental assessment for that member shall be owed to the Fund before the date of membership termination.

If there are sufficient funds available in the Closed Year Account, on a year-by-year basis, members have the option of applying all or a portion of Closed Year balances or "shares" to offset the portion of the supplemental assessment due at that time.

The balance due from the members for the contribution will be adjusted each year if the member has enough in the closed fund year to cover the balance due they may apply this toward their share. Any remaining balance due as of January 15, 2016 will be added to the members' regular contributions over a 10-year period with the final balance due by January 15, 2025.

PROFESSIONAL MUNICIPAL MANAGEMENT JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 10: SUPPLEMENTAL CONTRIBUTION (CONT'D)

As of December 31, 2024 and 2023, the allocated balance of the supplemental contribution was as follows:

<u>Member</u>	<u>2024</u>	<u>2023</u>
Evesham	\$ 5,999	\$ 11,997
Evesham Township Fire District	1,334	2,667
Maple Shade	3,031	6,063
Mooresrown	4,729	9,458
Willingboro	7,907	15,815
	<u>\$ 23,000</u>	<u>\$ 46,000</u>

Note 11: MEL JIF RETROSPECTIVE PROGRAM AND AGGREGATE EXCESS LOSS FUND CONTINGENCY ACCOUNT

MEL JIF Retrospective Program

As disclosed in notes 7 and 8, the Fund is a member of the Municipal Excess Liability Joint Insurance Fund. The MEL has adopted a retrospective rating premium approach to implement experience rated assessments for liability and workers' compensation coverages. The MEL billed 85% of the experience rated assessment in the first year and, should a member joint insurance fund exceed that amount, an additional assessment would be calculated based on each member joint insurance fund's retrospective rating modification. The retrospective rating modification is an experience rated factor and any additional assessments were capped at 100%, 115% or 125% of that factor. Over a ten-year period (120 months), if a member joint insurance fund's liability and workers' compensation loss funds stay within the 85% threshold, there would not be an additional assessment.

In 2018, the Fund budgeted and assessed each member 100% of the MEL's layer of projected loss funds. The Fund will expense the liability and workers' compensation excess coverage premium for the actual amount billed by the MEL and record revenue at the full amount budgeted and billed its members.

The difference between the assessment billed to the Fund's members and the MEL's premium will be transferred to an Aggregate Excess Loss Fund Contingency within the Fund in January and will earn interest in the same manner as all other fund years. The net position within the Aggregate Excess Loss Fund Contingency of the Fund will be maintained by member in the same manner that the Closed Fund Years' net position is maintained. As future fund years continue to adopt this program, the same process will be followed and the member shares will be maintained on a weighted average of their contributions to the Aggregate Excess Loss Fund Contingency. If the MEL bills the Fund for an additional assessment, and the member does not have enough net position in its portion of the Aggregate Excess Loss Fund Contingency, the Fund could bill the member an additional assessment.

Aggregate Excess Loss Fund Contingency Account

During 2024 and 2023, the Fund did not assess an additional assessment to transfer to the Aggregate Excess Loss Fund Contingency account. The loss fund contingency account, including accrued interest represents a management designation of the fund's net position.

PROFESSIONAL MUNICIPAL MANAGEMENT JOINT INSURANCE FUND
NOTES TO FINANCIAL STATEMENTS

Note 12: SUPPLEMENTAL ASSESSMENTS

The Board of Fund Commissioners of the Municipal Excess Liability Residual Claims Fund and Municipal Excess Liability Joint Insurance Fund passed resolutions to amend their plans of risk management. After the end of the year and before the Residual Fund and MEL have finalized their year-end accounting, their Commissioners shall levy an additional supplementary assessment so that their statutory surplus for all fund years combined is no less than 12.5 percent of unpaid claims including IBNR. A supplementary assessment payable over 10 years becomes automatic if the statutory surplus falls below a trigger number thus guaranteeing that the MEL and Residual Fund will have the resources to pay claims. For the years ended December 31, 2024 and 2023, supplemental assessments were due to the Residual Fund in the amount of \$74,343 and \$8,383, respectively. Total supplemental assessments owed to the MEL and Residual Claims Fund totaled \$201,541 and \$160,895 as of December 31, 2024, and \$344,944 and \$136,406 as of December 31, 2023.

Note 13: CONTINGENCIES

Claims Activity - In the normal course of its operations, the Fund has a number of lawsuits filed by claimants in various stages. Although estimated loss reserves have been established by the Fund, a number of these cases may possibly be settled for amounts in excess of the Fund's loss reserves. No provision for these contingencies has been included in the financial statements since the amounts are not reasonably estimable.

Workers' compensation claims continue to be affected due to the changes in the public employee pension plans that reduce the plans' contribution to total disability claims. Fortunately, the Fund's members are experiencing a lower rate of other employee accidents because of improved safety programs. Liability claims continue to be affected due to the New Jersey Tort Claims Act (NJTCA) where the statute of limitations for sexual molestation lawsuits and the reluctance of the NJ Court System to grant summary judgments when Title 59 immunities should apply. Property claims continue to be affected due to the increased frequency and severity of natural catastrophes.

The Fund continues to monitor these developments and will assess any material impact on the Fund's net position or results of operations in future reporting periods.
