Memo to: Fund Commissioners
Professional Municipal Management Joint Insurance Fund

From: PERMA Risk Management Services

Subject: Executive Director's Report

- ❑ **Township of Moorestown Additional Insured** – The Township of Moorestown requested the Fund office and Risk Manager to look into the feasibility of adding Moorestown Fire District No. 1 and the Moorestown First Aid & Emergency Squad as additional named insured on the Township's policies with the JIF. Meetings were held with both entities attended by the fund's Risk Manager and Executive Director. The risk manager made presentations to both showing the benefits and savings that they could achieve by joining the JIF.

The Fire District consists of 2 firehouses; 6 full-time & 13 part-time employees and houses 4 fire trucks and 6 support vehicles. The First Aid Squad has 4 ambulances and 2 support vehicles and 13 full-time EMT's, 4 part-time and 15 per diem employees.

The proposed assessments are \$88,847 for the fire district and \$129,898 for the first aid squad. Both are significant savings and broader coverage for both entities. They have accepted the offers pending fund commissioner approval.

- ❑ **Motion to approve adding Moorestown Fire District No. 1 and the Moorestown First Aid & Emergency Squad as Additional Named Insured under Moorestown's policies with the JIF.**
